

Buying mp3s

You have decided to use your allowance to buy an mp3 purchase plan.

- Your friend Alex is a member of i-sound and pays \$1 for each download.
- Another one of your friends, Taylor, belongs to Rhaps and pays \$13 a month for an unlimited number of downloads.
- A third friend, Chris, belongs to e-musical and pays a \$4 monthly membership fee and \$0.50 per download.

Each friend is trying to convince you to join their membership plan. Under which circumstances would you choose each of these plans and why?
